- viii) Responding to Sherryl Coe, Superintendent Wayne Brunton clarified that Catholic School Councils will continue this year with virtual meetings.
- ix) Responding to Paula Lima, Trustee Shawn Xaviour clarified that the Board, in consultation with Peel Public Health, is looking into the health and safety of air purification systems. Once Peel Public Health approves these systems, the Board must go through a tender process for these purchases. Schools could then purchase air purification systems for classrooms.
- x) Responding to Paula Lima, Trustee Shawn Xaviour clarified that n95 masks cannot be worn in schools but face shields can be worn with a mask. Superintendent Wayne Brunton added that mask exemptions can be made for medical reasons.
- xi) Responding to Dinah Langle, Chair Genevieve Rodney clarified that parents' decisions for changing learning modes was based on their comfort levels and personal circumstances.
- xii) Responding to Dinah Langle, Trustee Stefano Pascucci clarified that the Ministry funds for HVAC systems came with stipulations that had to be met before funds could be used. Funds were only provided three weeks before school started. Some schools noted that they do not have HVAC systems and it was not possible to have these systems installed in three weeks.
