Land Acknowledgement

We begin by acknowledging the land and our responsibility to care for and respect all that Creation gives to provide us with life. This land upon which we live, work and sustain ourselves is the ancestral and treaty lands of the Michizaagiing Anishinaabek also known today as the Mississaugas of the Credit, the rightful caretakers and titleholders of this land. We also recognize that this land is rich in pre-contact history and relationships, which includes the Anishinaabek and Onkwehonwe and since European contact has and continues to become home for Indigenous and non-Indigenous peoples.
